OUR STORY

Sun Island Tours was founded in 1989 by Lakis and Celia Polyviou, whose passion for travel and extensive industry experience laid the foundation for what has become one of Australia's leading specialists in Mediterranean and Middle Eastern travel.

Before establishing Sun Island Tours, Lakis worked with Ansett and Greek travel agencies before opening Kyrenia Travel in 1976, specialising in travel to Greece and Cyprus. Together with Celia's experience in the travel industry, they built a business renowned for its personalised service, expert knowledge, and genuine care for every traveller.

Recognising the need for a specialist wholesaler offering quality tours, cruises and tailor-made holidays, Lakis and Celia established Sun Island Tours to provide travellers with expertly curated experiences throughout the Mediterranean and beyond.

Today, more than 35 years later, Sun Island Tours offers an extensive range of holidays across the Mediterranean and Middle East. The family legacy continues with Lakis and Celia's sons, Paul and John Polyviou, who now serve as Joint CEOs, leading the company into its next chapter.

YOUR QUESTIONS ANSWERED

What makes Touropa different?

Choice, value and flexibility. With a huge selection of European itineraries and affordable prices, Touropa makes it easy to discover more of Europe while tailoring your journey to suit your plans.

What if I don't want to follow the complete itinerary?

That's where the flexibility really comes in. Rather than being restricted to one fixed touring package, you can select the section of the journey that appeals to you and build a trip around your own travel plans.

Are departures guaranteed?

Yes. Guaranteed departures with a minimum of 2 passengers, gives you greater confidence when planning your European holiday, knowing your selected tour is scheduled to operate.

Can I add extra nights?

Yes. On applicable itineraries, extra nights can be added at the beginning or end of your journey, giving you more time to explore your chosen destination before or after your tour.

Can I take a break during my tour?

On many tours, yes. Where departures operate regularly on a circuit, you can book a stop along the route and rejoin the same tour on a future departure, giving you the opportunity to spend longer in a destination.

Can I visit several countries on one tour?

Absolutely. Europamundo's extensive touring network makes it easy to combine multiple cities and countries in one journey, allowing you to experience more of Europe without the hassle of arranging separate transportation and accommodation.

Are Touropa tours suitable for all ages?

Yes. With a huge choice of destinations and itineraries, there are tours for all ages, whether you're travelling as a couple, with family or with friends.

THE TOUROPA DIFFERENCE

Choose where you start. Choose where you finish.
